

Each year the Plumbing Industry Promotion Fund awards approximately \$40,000 in college scholarships to the sons and daughters of union members and contractors. The annual \$1000 scholarships can last up to 4 years. Selection is made by a 3-person committee of university professors and admission officials and is based upon academic performance and extra-curricular activities. Details on eligibility and the application form are available at www.acpcnyc.org.

Recipients of the 2006-2007 Scholarships and their colleges –
